THE PLANAR

THE PLANAR. VERTICAL MODERNISM

Find calm in understated elegance at The Planar, Webb & Brown-Neaves' miniamilist urban retreat in Melville. Bold lines, balanced in beauty and simplicity – The Planar is a soothing sanctuary inspired by modernist architecture, the antidote to the stresses of everyday life. Designed on a narrow lot, every detail is thoughtfully considered to create a sense of contentment and control.

Serene and unassuming from the street, The Planar is a beautiful composition of clean planes and vertical lines, with an innovative flushed fit gate and garage door concealing a multipurpose space for parking, workshopping or working out.
