THE TIMELESS  
HAMPTONS  
STYLE

## GET THE LOOK

HALLMARKS OF THIS EAST COAST AMERICAN STYLE INCLUDE THE CONSIDERED USE OF TEXTURE AND BEAUTIFUL PROPORTIONS.

Think soft whites in windows and weatherboarding, timber shingle roofing and hand-cut slate.

Your roof lines will feature a blend of gables and gambrel with big open balconies.

Designed for the coast but also perfect for urban living, choose Hamptons style to allow plenty of sunlight and open space in your home.

With your interiors, let crisp white, off whites and soft blues take the lead.

## COLOUR PALETTE

Keep the colour palette neutral with whites, greys, blues, creams and beiges. Use inspiration from the coast to create that calm feeling throughout your home. This will create that resort style living.

## 2

### INDOORS/OUTDOORS

Hamptons living is all about open plan living. Open the doors and flood the light in to create that calm feeling.

# 3

## NATURAL MATERIALS

It's important to work with neutrals and add natural materials and textures throughout the home such as linen, timber and rattan.

4  
SUPER-SIZE IT

Add a luxurious feel to your home through large pieces of furniture. Think big cushions, classic curtains and room sized rugs.

# 5

## PATTERN PERFECTION

Tie in some patterns and a seaside palette through your cushions and curtains with subtle blues and greys. Geometric designs are also a great way to add the Hamptons look and feel into your home.

# 6

## CRISP WHITE WALLS

Hamptons is all about adding a sophisticated, airy and relaxed feel to your home. With your interiors, let crisp white and off whites take the lead for the walls of your home.

7

**PLANTATION SHUTTERS**

Plantation shutters are synonymous with classic and timeless coastal looks. Shutters also add the bridge between the outside and inside with natural woods being featured throughout your home.

# 8

## TIMBER FLOORBOARDS

Timber floorboards are a must to execute the Hamptons look. The American white oak natural boards create warmth and add texture within your home.

## 9

**MARBLE BENCHTOPS AND  
WHITE CABINETRY**

Your go-to's for the kitchen are all white finishes on cabinetry to make the space feel bigger while adding a sense of luxury with marble. Light-coloured engineered stone for your benchtops is a non-negotiable for any Hamptons style home.
